Application Process

Students who would like to be considered for financial aid must apply using either the Free Application for Federal Student Aid (FAFSA), California Dream Application or the BOGW (Board of Governor's Fee Waiver) Application. Links to these forms can be found on the Financial Aid webpages on the College's website. Some financial aid resources require a student to submit additional application materials; scholarships, for example, might have a completely separate form to submit to the funding agency. All students are encouraged to apply for scholarships that might contribute to their financial resources while attending college.

Deadlines

See the Financial Aid webpages on the College's website for semester specific Financial Aid and Scholarship deadlines. All deadlines will be strictly adhered to.

Maximum Units/Time Frame Allowed

Students must also complete their educational objective (graduation, transfer, and certificate in a timely manner) by the time they have attempted 90 units. This includes ALL units attempted at Hartnell College. A student can only receive financial assistance for a maximum of 150% of the published length of the program. All units attempted, regardless if required for the major or are for personal enrichment, will count toward the 150% allowable total. A change in education objective will not start a new maximum time frame. All units taken for prior programs will be included in the 150% allowable total.

NOTE: Courses in which a student receives a "W" are also included in the 150% allowable total.
