

GENERAL INFORMATION ... 2019-2020

Graduation Requirements for the Associate Degree

Graduation Honors

Honors on the graduation card is determined by the GPA at the time of evaluation (reflected on the student's graduation worksheet). The GPA includes all Hartnell and transfer degree-applicable coursework.

Requirements for Hartnell College Associate Degree

Units/Grade Point Average

A minimum of 60 semester units with a grade of •CŽ or better must be maintained in all degree applicable units. Only courses numbered 1-199 may apply toward the Associate Degree.

Residence

Of the 60 units required for graduation, the student must have completed a minimum of 12 units in residence at Hartnell College.

Competency Requirements

1. Competency in Written Expression and Reading
Completion of ENG 1A with a grade of •CŽ or better. (Nursing (RN) majors should take an ENG 1A section with •Multicultural PerspectiveŽ, thus fulfilling the Ethnic Groups in the United States graduation requirement, as well as, the Written Composition requirement. Nursing (RN) is the only major that allows the double counting of these two degree requirements. 2

2019-2020

- D. Complete all general education and major program course work required for the degree. A major program will con.

2019-2020 Transfer Planning

Students planning to transfer have many options. The California State University with 23 campuses; the University of California with 10 campuses, and over 60 private, independent college/universities in California provide a wide range of academic programs. Hartnell College offers the equivalent of the first two years of these four-year college/university programs. Students pursuing any of these educational alternatives should meet with a counselor as early as possible to discuss their educational plan. Careful planning will help avoid mistakes, which could prolong academic goals.

In accordance with the Chancellor's Office of the California State Universities and Colleges Executive Order No. 167, Hartnell College has developed courses which are baccalaureate level. The California State Universities and most private, independent colleges accept Hartnell courses numbered 1-99. Courses numbered 1-50 are accepted by most University of California campuses; however, students should consult the University of California Transfer

Successful planning requires the following steps:

- Step 1. Selecting a career goal
- Step 2. Selecting an appropriate major to meet your career goal
- Step 3. Selecting an appropriate college/university
- Step 4. Planning and completing an appropriate transfer program
- Step 5. Completing the application process

All college/universities have specific admissions requirements and may have special course and unit requirements as well as minimum grade point averages that must be met prior to transfer. Once students identify their major and the college/university to which they wish to transfer, they should consult the respective catalog and/or website of the college/university for specific requirements. Catalogs for California State University campuses, University of California campuses, and many private, independent college/universities are available for use in the Transfer Center.

Four-year college/universities require students to complete specific general education requirements as well as major requirements for the baccalaureate degree. Students should work toward completing both general education and lower-division major requirements prior to transfer. Each four-year institution has its own basic pattern of lower-division requirements regarding both general education and specific majors. These requirements vary from college/university to college/university and often change from year to year. Therefore, students should take advantage of the publications and services available.

Articulation agreements with course-to-course and major-to-major equivalencies are available through the counseling office and can be accessed via Internet at www.assist.org for most California State University and University of California campuses. Counselors will assist with interpreting articulation agreements and major requirements.

CALIFORNIA STATE UNIVERSITY (CSU) 23 CAMPUSES

Admission as a Transfer Student to CSU

A student may satisfy CSU admission requirements as an upper division transfer student by:

Completing a minimum of 60 transferable semester units

- x Maintaining a grade point average of 2.0 or higher in all transferable units attempted. Nonresidents must have a 2.4 grade point average.
- x Satisfying a minimum of 30 units of General Education including grades of C or better in: A1 Oral Communication, A2 Written Communication, A3 Critical Thinking, B4 Quantitative Reasoning.

Supplementary Admissions Requirements.

Some majors and campuses receive more applications during the initial filing period than can be accommodated and have higher admission standards. For detailed information regarding Impacted Undergraduate Majors and Campuses in the California State University go to <https://www2.calstate.edu/attend/degrees-certificates-credentials/Bges/impacted-degrees.aspx>

Admission Application Dates

To ensure consideration for admission to the campus of major of first choice, students are reminded to file a completed application form during the appropriate filing period shown below:

Term: Applications First Accepted

Summer Quarter: February 1 (preceding the summer term)

Fall Semester/Quarter: October 1 (preceding the term)

Winter Quarter: June 1 (preceding the term)

Spring Semester/Quarter: August 1 (preceding the term)

CORE COMPETENCIES

(Institutional Student Learning Outcomes)

In accordance with its mission of ensuring that all students shall have equal access to a quality education and the opportunity to pursue and achieve their goals, it is also the college's responsibility to ensure that students who graduate with an AA or AS degree should be able to demonstrate the following competencies:

Global Engagement

Students will demonstrate global citizenship via knowledge of and interaction with civic participation, diverse cultures and people, and social justice advocacy.

Personal Growth

Students will demonstrate ethical decision making, goal setting, and positive lifestyle choices.

Student Transfer Achievement Reform Act

The Student Transfer Achievement Reform Act (Senate Bill 1440, codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an associate degree for transfer, a newly established variation of associate degrees traditionally offered at a California community college. The Associate Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that accepts the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated high-unit major).

Hartnell College has approved the following 26 Associate Degree for Transfer. Additional degrees are being developed. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs. For counseling appointments please call (831) 755-6820.
