

Panther Academic Support Services

The Panther Academic Support Services support student learning and achievement by providing a wide range of learning support resources at the Main Campus, Hill Campus, King City Education Center and online. Tutoring Services are available to all registered students free of charge. Tutor and Supplemental Instruction (SI) Leaders must be approved by an instructor and must complete a tutor training course. Students wishing to use tutorial services and students who wish to become tutors or SI Leaders are encouraged to apply. For more information, online resources, tutor and SI leader applications, and/or Drop-in Tutoring, Supplemental Instruction, and Workshop schedules, visit our web site at <https://www.hartnell.edu/tutorial-services>. Questions may be asked in person or by calling (831) 755-6815.

Computer Center

The Computer Center, located in E-211, offers self-paced courses in computer skills, Internet resources, computer applications, and keyboarding. In addition, tutoring is available for those students who need technology support. Questions may be asked in person or by calling (831) 755-6777.

Language Lab

The Language Lab, located in 203, offers individualized lab instruction in support of ESL curriculum from beginning to advanced with computer software and tutorial guidance. These services are available for corequisite lab courses. Questions may be asked in person or by calling (831) 770-7066.

Academic Athletic Counselor

The mission of athletic counseling is to connect Hartnell College student/athletes with programs and services aimed to support their academic and professional growth. Our services include academic, career and personal counseling, crisis intervention, course planning, academic progress monitoring, learning assistance, as well as two- and four-year college athletic eligibility education. Student/athletes will work with an athletic counselor to advise/provide them with a comprehensive individual educational plan.

and attending classes, minimum of 12 units

at least 9 of the 12 units must be attempted

counting towards remediation, career technical courses, associate degree requirements, or

education as defined by the course catalog. For

information, please contact the Physical Education Office in H-114 or phone (831) 755-6830.

Instructional Programs

Educational Programs at Hartnell College are varied and designed to meet the specific needs of the District residents.

General Education

General Education is that part of education which is concerned with the common knowledge, skills, and attitudes needed by each individual to be effective as a person, a family member, a worker, and a citizen. General Education courses require students to cultivate the disciplines of scholarship and to develop the attitudes necessary for academic achievement in upper-division work. Hartnell College has a full articulation agreement with the California State University System and the University of California Board of Regents, which certifies completion of lower division general education requirements. This information is represented in the college's CSU-GE and IGETC documents and listed in this catalog and can be accessed online www.assist.org

Special Occupational Programs

Associate Degree in Nursing

Accepted students who successfully complete classroom and clinical coursework qualify for the Registered Nurse license examination.

Vocational Nursing

Accepted students who successfully complete classroom and clinical coursework qualify for the Licensed Vocational Nurse license examination.

Emergency Medical Technician

Students who successfully complete required classroom, skills, and clinical coursework qualify for the National Registry Emergency Medical Technician certification examination.

Respiratory Care Practitioner

Accepted students who successfully complete classroom and clinical coursework qualify for the Registered Respiratory Therapy license examination.

Apprenticeship Programs

In cooperation with the Joint Apprenticeship and Training Committees of Monterey/Santa Clara/Santa Cruz Counties, the College operates apprenticeship programs, whereby students can prepare for the skilled labor force. At the present time, opportunities for apprenticeship exist within the electrician discipline. Apprentices are employed full time during the day and take related classroom instruction at the IBEW Local Union 234, Castroville, California.

Cooperative Work

Experience Education Program

Cooperative work experience provides a bridge between the classroom and on-the-job training involving the student, faculty, college, and an employer. Students work in a job related to their career interest on a part-time basis while attending classes at Hartnell College. The program provides a gradual transition from formal instruction to career, allows students to apply knowledge gained in the classroom to the practical world of work, and permits students the opportunity to test their interest in and suitability for the field of interest endeavor.

Course Numbering

1-99

Courses numbered 1 through 99 are baccalaureate level courses, carrying lower division credit at most four-year colleges and universities. In accordance with the Chancellor's Office of the
