

Item moved to next meeting.

Cheryl shared the anti-racism pledge that was adopted at plenary. The resolution encourages senate/faculty to adopt the pledge. Cheryl wanted to bring it back to the college and have a discussion on what we want to do as a college. We want words with actions to follow, not just signing it.

is our goal to have something to which we can agree on. What is realistic and practical. A retreat was suggested to do the planning, as well as, inviting different chairs from committees to get a different approach for training senators. Daniel Lopez and Hortencia Jimenez will be invited to the Feb. 9, 2021 meeting as they would add a lot to the conversation.

MSC: Hough/Storm to transfer authority to Steering during the break.
