&he committee discussed the impact that this removal would have on the
number of units in certificates. &here are a few that will go below the , –
unit level. /f this polic% is passed b% the Academic Senate we should
identif% those certificates so that facult% can determine if there are other
appropriate classes to be added. Certificates under , – units aren0t eligible
for federal financial aid.

Also discussed1 C&# students can benefit from removing the barrier of a
blanket math and #nglish re*uirement for all certificates. " iscipline
facult% can decide if the certificate outcomes 2P34s5 re*uire math or
#nglish skills and include re*uirements if appropriate.

&he Curriculum Committee recommends that the Academic Senate remove
the minimum math and #nglish re*uirements from Certificates of
Achievement, MSC.
