

Committee also looked at list of AAT and ADT courses that have identical or almost identical course titles and similar course outlines. To avoid duplication of curriculum faculty in both areas should meet and determine whether one course meets both needs or not. If not, course outlines should clearly indicate that they are different courses.

Motion to table all ADT courses pending discipline faculty discussing overlap of content and corrections in outline.

All ADT course revisions Tabled MSU.

1) ADT 110 Electrical and Electronic Systems (4 units)

(a) Course Approval:

2) ADT 111 Electronic Systems and Controls (4 units)

(a) Course Approval:

3) ADT 120 Climate Control (4 units)

(a) Course Approval:

4) 90.024 440. nBT/F1 12 Tf1 0 0 100 100 100 100 100 100 100 100 100 100 100 100 100 100
