

INFORMATION/DISCUSSION/PRESENTATIONS

1. Facility Rental Pricing

Joanne Pleak

Just a little brief history workforce and community development was in charge of facilities scheduling.

The last changes were done in 2005

The department was eliminated and went to Academic Services and was handled by an Admin. Assistant in 2011

In 2013 they gave it to me (Joanne Pleak) during that time it was under Al Munoz who formed a committee to go over the fees and got them done, But then he retired

The National Endowment for the Humanities grant is supposed to be used by December to strengthen online teaching and the humanities programs

\$82,000 worth of Chromebooks were initially charged to Strong Workforce and \$7,000 to Adult Ed. Some of the expenditures that we've incurred thus far are the Chromebooks for the students. We also have licensing for Adobe. Adobe Creative Cloud, Hotspot technology and service related service IT storage, emergency scholarship crisis counseling, headsets and phone setup that were provided to employees, remote working supplies, laptops for
