Student Completion Completion Efficiency Student Transfer Student \$990,000 Applied 3 year term

Hartnell College Foundation Office of Advancement and Development Public Grants Report December 2021 UPDATES

Student Completion Completion Efficiency Student Transfer Employment \$5,000,000 Not awarded 5 year term

Student Completion Completion Efficiency Student Transfer \$1,178,278 Not awarded 3-year term	NASA- MUREP- Includes- is a new grant initiative that aims to grow the participation of underrepresented minorities in engineering fields by 2026 by creating a STEM pipeline from middle school to post-secondary education. The project entails creating and leveraging broad partnerships with stakeholders in government, non-profit and private sectors to further workforce development and provide leadership opportunities to underrepresented minorities in engineering. The Hartnell K-12 STEM program will lead the project and focus on 1) providing classes for after school and during the summer, 2) supporting summer bridge activities, 3) arranging internships and jobs to support students, and 4) creating better equity and access.
Student Completion Completion Efficiency Student Transfer Employment \$1,505,483 Applied 2 year term	The Department of Education-Institutional Resilience and Expanded Postsecondary Opportunity- grant program is designed to support and expand dual enrollment efforts, especially with regards to online academic and student support services. In addition, the proposal includes faculty and staff professional development for online instruction, help desk support, and a technology lending program.
Student Completion Student Transfer/Employment \$3,000,000 Awarded 5 year term	US Department of Education Hispanic Serving Institutions Title V Individual Grant- Hartnell's proposal focused on increasing the range and capacity of transfer, career, and job placement services to Hartnell students. The project will expand the current Career and Transfer Center to reach more students across more majors throughout different locations (e.g. at Alisal, King City, future Soledad and North Monterey County centers) through increases in personnel and innovative technology.
Student Completion Completion Efficiency Student Transfer \$2,618,880 (2 proposals at \$1,309,440 each) AWARDED 5 year term	Student Support Services/TRIO- Hartnell submitted three distinct proposals, one for the traditional program, one for ESL and one for STEM, to provide an array of services to more than 400 students who have demonstrated an academic need. Staff will work in conjunction with faculty to deliver the project services to students throughout the academic year and summer. Project services include academic advising, tutoring, FAFSA workshops, financial literacy training, graduation and transfer advising, academic progress monitoring, academic support, non-cognitive development and transitional activities.

Student Access	California Community Colleges Chancellor's Office- This
Student Success	grant opportunity improves and expands services to currently and
\$104,746	formerly incarcerated students. This project is a collaboration
Awarded	between the Director of Continuing Education and the Director of
One-time	Special Programs.

Student Access Student Support Innovation Partnership \$75,000 Awarded One-year renewable	California Community Colleges Chancellor's Office- State Development Grant-Teacher Talent Incubator To support Salinas campus and to provide further sustainability to program services.
