<p>Awarded \$500,000</p>	<p>disenfranchised into, along, and out of short, industry-valued certificates and credentials by instigating meaningful improvements in its online education structure. The interventions focus on increasing upward mobility and include leveraging partnerships and dovetailing with the new Online Community College (OCC) by improving access to and filling gaps in online pathways that meet workforce needs.</p>
<p>Awarded \$324,968</p>	<p>to increase participation and retention of historically underserved and underrepresented K-12 youth in the STEM areas. Hartnell plans to continue its successful MAA project, which includes field trips, family cafes, and the Aerospace Education Laboratory, among others, resulting in a stronger STEM pipeline and postsecondary access for underrepresented youth. Hartnell will continue to partner with school districts and K-12 schools that are overwhelmingly Latino/a, with large number of low-income English learners and low rates of success in STEM. The program will serve 3,000 K-12 students each year and will hire 120 local teachers.</p>
<p>Awarded \$104,746 One-time</p>	<p>This grant opportunity improves and expands services to currently and formerly incarcerated students. This project is a collaboration between the Director of Continuing Education and the Director of Special Programs.</p>

<p>Awarded \$1,000,000 One-time</p>	<p>via Assemblymember Anna Caballero - to provide a skilled workforce for employers in Monterey County and provide resources to support innovation and student learning in Agriculture Technology and Healthcare. Funds for this project will support acquiring the instructional equipment necessary to prepare students for the current agricultural and health care environments, both of which are saturated with technology. Upgrading programs and equipment in on-campus classrooms will provide students an opportunity to learn the critical skills necessary for rapid change in both industries.</p>
<p>Awarded \$1,500 per year For 2 years</p>	<p>for technical assistance in the form of consultants and support for materials for the Child Development Center. Through this assistance, teachers will participate in trainings and learn new approaches that support child development and learning. The Center plans to develop a visual calendar of the year to introduce new materials and concepts and then explore how to extend the children's learning experiences with those materials as the year progresses.</p>
<p>Awarded \$75,000 One-year renewable</p>	<p>To support and expand the teacher pathway program to Hartnell's Salinas campus and to provide further sustainability to program services. The project is a collaboration between Hartnell, CSUMB and the Monterey County Office of Education. The teacher pathway program incorporates a "grow your own" approach to teacher recruitment and retention.</p>
