Student Completion The National Endowment for the Humanities has awarded a Completion Efficiency grant to Hartnell to support the humanities during COVID19. The Student Transfer awarded project provides humanities faculty with technical skills \$262,551 training and techniques for building strong virtual relationships. AWARDED Select faculty are also researching online educational resources and creating discipline-specific trainings that include best 6 month term practices in humanities-based online teaching. Lastly, faculty are launching and mentoring learning communities that consider a specific topic related to the impact of the coronavirus each month, with a focus on inquiry into historical and current issues from a humanistic experience. This is the first NEH grant that the college has ever received and it was the only community college in California to receive this grant.
