Student Success Partnerships	- supports first generation students pursuing nursing. UCSF received a grant for
\$60,000	\$250,000 over 36 months to implement an intervention that will
Awarded	address barriers and improve outcomes for first generation to college (FG2C) nursing students. Using a strength-based model,
	UCSF will implement an intervention across three Northern
	California schools of nursing with a high proportion of FG2C
	students. It will provide specific educational and career development modules, combined with in-person mentoring and
	peer-to-peer sessions, aimed at improving the academic
	experiences and outcomes of FG2C nursing students. Hartnell is
	participating in the pilot program, which will provide career development to the nursing student community as well as faculty
	development.
