<p>\$24,771 One-time</p>	<p>informational sessions, brown bag lunches and high-school classroom visits. Hartnell is also pursuing the Noyce Capacity Building grant, with CSUMB as the lead. This one-year grant will support a year of joint faculty strategic planning to prepare the institutions to submit a follow-on proposal.</p>
<p>Awarded \$119,529 One-time</p>	<p>to increase publicly available or after-school broadband access and digital inclusion. Hartnell proposed two digital literacy projects, one in King City and one in Castroville, in partnership with CHISPA. The objective is to reach communities with low broadband access, including low-income communities, with trainings in basic computer, internet and software skills.</p>
<p>Awarded \$1,500,000 For 5 years</p>	<p>to increase retention and graduation rates of undergraduate students pursuing AA/BA degrees in STEM fields. The project focuses on providing flexible, short-term applied learning/research opportunities to students that might not otherwise be able to pursue full-time internships, in order to better prepare them for future education and careers in the field. The project will train faculty via workshops and partner with a research non-profit to study the impact of these activities.</p>
<p>Awarded \$1,000,000 One-time</p>	<p>via Assemblymember Anna Caballero - to provide a skilled workforce for employers in Monterey County and provide resources to support innovation and student learning in Agriculture Technology and Healthcare. Funds for this project will support acquiring the instructional equipment necessary to prepare students for the current agricultural and health care environments, both of which are saturated with technology. Upgrading programs and equipment in on-campus classrooms will provide students an opportunity to learn the critical skills necessary for rapid change in both industries.</p>
<p>Awarded \$1,500 per year For 2 years</p>	<p>for technical assistance in the form of consultants and support for materials for the Child Development Center. Through this assistance, teachers will participate in trainings and learn new approaches that support child development and learning. The Center plans to develop a visual calendar of the year to introduce new materials and concepts and then explore how to extend the children's learning experiences with those materials as the year progresses.</p>
