Nancy: "My students really liked. Distance Ed. Committee folks on board with trial. Free for a year. Soft launch pilot fine, don't need to train people large scale until we make a final decision. Pronto looks simple."

Bala: met with Carla counseling using Cranium Café Nancy: "faculty will prob. Need to use separate things"

Bala: "Does Pronto overlap with anything else?" "Zoom?"

Nancy: TT11Tf27.1227.1217TD.0034Tc00030372Tj/TT21T.820019325Tfad0mancy:T1.158TD0Tc0003Tj/

"Zoom great for instructor student interaction. Pronto will fill the gap with student student interaction. I would love for my students to have this to do labs at home streaming and use chat feature to work together but separately."

different dates but giving everyone a consistent date."

Nancy: "They don't like the different dates and they don't like not having a reminder."

Bala: "There are many factors going into it, but this wasn't driven by IT. Faculty were requesting the ability to drop students"

Thank you to everyone especially Math and English faculty.

IT built a tool for MM placement. Bala Carla discussed what the tool can do with Nancy and Laura.

Carla: "just in time workshops that will be built around Math/English 1AX embedded support."

, "Chancellor's Office isn't saying don't provide support, they're saying provide support concurrently while taking the course."

Bala: "Goal: decrease time to graduate. Part of the bill addresses high schools and CC interaction"

Carla: "students excited to be placed in a transfer level class instead of a remedial class. Students felt bad to be placed in a remedial and it caused time to degree to balloon to 4+ years."

Carla: "pathways will allow a student to take
