

# HARTNELL COMMUNITY COLLEGE DISTRICT

***Hartnell College Mission Statement***

*Hartnell College provides the leadership and resources to ensure that all students shall have equal access to a quality education and the opportunity to pursue and achieve their goals. We are responsive to the learning needs of our community and dedicated to a diverse educational and cultural campus*

dramatized reading of selections from the book, to be put on by The Western Stage at the end of the month, with one presentation in King City and one in Salinas. [The presentation was called, "Of Thee I Sing."]

5. Melissa presented an opportunity she is pursuing for us to offer a staged reading of "Just Like Us," and an opportunity to work with the CSUMB Theater to stage, "A Race Against Time" in the spring. Her theme for SpringFest 2018 is "In the Company of Women," not to exclude the participation of men, but to highlight and provide opportunities for women artists. She's also pursuing an opportunity with a San Francisco theater group on a historical depiction of Chinese immigrants to our area. Seaside High School, has reached out to us to pursue collaborative opportunities in the theater education programming side.

## **Reports and Comments from Areas**

Gabe recommended that the committee sponsor food-related activities, like a fusion of different food trucks representing different cultures. Hartnell used to host international dinners.

The group wanted to discuss having a mural on campus that highlighted diversity. Terri will put on next month's agenda.
