ACTION ITEMS

1. May 19, 2016 agenda unanimously approved.
2. Minutes of April 21, 2016 were approved.
3. Multiple Methods submission to Chancellor's Office approved.

INFORMATION/DISCUS

multiple methods will receive approximately \$45,000 to be used in the next fiscal year. The committee has distributed a form that outlines what the multiple methods are, and the District's response to them. Discussion continued around this topic.

2. Update on website

G.Bravo

Since Gabriel was not present at this meeting, Terri asked the committee if they had any ideas about speakers or events that they'd like to see posted on the website. Discussion centered around this.

3. Update on Educator-in-Residence 2017

T.Pyer/N.Torres

Terri shared an email she sent to Janeen Whitmore on April 23rd recommending that Kimberly Papillon be our next Educator-in-Residence. She commented that Ms. Papillon has provided training to judges, lawyers, and physicians around the world to teach them about the neuroscience behind decision-making. Nora asked if it was possible to give classified staff release time to attend these types of events. More discussion followed.

4. Community Outreach and involvement

T. Pyer/M.Parker

The group discussed how to improve its ability to reach a larger audience for its events and activities, beyond what they currently do, which includes engaging the Director of Communications to send out press releases, mass emails, using advisory committees in the arts, and word of mouth.
