INFORMATION/DISCUSSION/PRESENTATIONS

1. Update on flex activity approval system J. Whitmore
Discussion about where this system should be kept. The committee decided to keep it in Google form, since ISupport requires more steps and people are less familiar with it. Terri suggested that some improvements in Google should be made, to improve the customer experience. Augustine suggested to check it on a regular basis, like weekly or monthly, and respond. Janeen will meet Laura Lark on 11/19 and will talk about the suggestions from the committee.

2. Educator-in-Residence J. Whitmore
Dr. Rushton Hurley accepted our offer to be the next EinR. EinR events need the participation of the full committee. We'll explore having events in February, and will contact him to plan the program. Andrea suggested we ask him if we can record his presentations so Alisal and King City campuses could also participate

3. January flex days Lori Kildal

Lori presented a draft of the flex days activities that will be held on January 19 and 20, 2016. The sessions to be held in K-125 are scheduled to be recorded and posted on our website.
