HARTNELL COLLEGE VISION STATEMENT

Hartnell College will be nationally recognized for the success of our students by developing leaders who will contribute to the social, cultural, and economic vitality of our region and the global community.

HARTNELL COLLEGE MISSION STATEMENT

Focusing on the needs of the Salinas Valley, Hartnell College provides educational opportunities for students to reach academic goals in an environment committed to student learning, achievement and success.

Terri mentioned that some people who are identified as a Campus Security Authority received an email from Keenan to complete two on-line trainings. She also explained that a different training format is being created for assistant coaches who are professional experts, who need to do the training but don't have a Hartnell email address, since they are not issued for this category of employee.

OTHER ITEMS/BRIEF ANNOUNCEMENTS

Augustine mentioned that they are launching the "Lights of Love" program. They are figuring out right now the best way of handling it due to the huge response of the Hartnell community.
