

ACE Spring 2016 changes

The following objectives drove our decision making:

- 1) Design a 12 unit program so that students are not overwhelmed their first semester but are still advancing towards completing their educational goal of Certificate or Associate Degree for Transfer
- 2) Maintain integrity of the ACE model but build in flexibility for various skill levels
- 3) Develop processes and procedures to ensure increased student success
- 4) Collaborate with existing campus initiatives to enhance support services

The Spring 2016 courses are as follows:

Remove COU 30

Spring students will take COU 1 in the Fall

Remove BUS 150

We are working with Charmaine and the ACE Counselor to provide workshops to ensure that the students have the excel skills necessary to complete their Social Justice Projects

Move EDU 110 to the following dates: January 11, 12, 13, 14, 15, 16, 18, 19, 20

EDU 110 is a 9 day course. Pushing back the start date will give
