# Proposed Plan to Increase HC's Degrees & Awards File

| 2018-2019 Implementation | | | |
|---|---|---|---|

**Review HC's current 2018-2019 college catalog graduation requirements**

**REVIEW**
Residency for Associate Degree & Certificate Requirements
Double majors
Additional/multiple Degrees/Certificates

**CONSIDER**
Waiving Ethnic Groups in the US requirement when an ADT has been awarded along with a additional Associate Degree

**DEVELOP**
AP 4100 Graduation Requirements for Degrees & Certificates w/VPAA, Curriculum Chair

**IMPLEMENTATION**
2019-2020 Catalog

---

**Front Load/Early Evaluate Transfer Credits for Educational Planning & Guided Pathways**

**REVIEW**
The implementation plans from College of the Desert. Review the DOE Federal Financial Aid Regulations on transfer credits

**CONSIDER**
Do we evaluate for only general education coursework (since is going to be?)
Do we evaluate once the student has met with a Counselor so that a major can be determined? The Counselor would alert the designated evaluator to evaluate credits with the students chosen major.

---

**Reverse Transfer Program**

Reverse transfer is a process for awarding AA/AS degrees to students who have transferred to 4 year College/Univ. degree before completing the requirements for an AA/AS degree at Hartnell.

The sharing of transfer data would be through the National Student Clearinghouse (The Board approved this contract in May 2018)

EXAMPLE:
https://www.maricopa.edu/academics/university-transfer/reverse-transfer

---

**PARTNERSHIPS :**

We would partner with our most popular feeder transfer universities such as
CSUMB
Fresno State
SJSU

**HOW DOES IT WORK**
We receive lists of HC graduate (earn a BA/BS degree) from the transfer institution and we check to see if they received an AA/AS from HC; if not, then we use their transfer credit
