attempt, all students that would have otherwise been referred out.

On Tuesday, November 28, 2017 we held our 2nd HEP Advisory Council meeting of the year. The meeting was well attended and included representation from various regional partners. During the meeting HEP Director shared 2016-2017 Annual Performance Report (APR) data, Fall 2017 enrollment and success data, provided a fundraising update, and

of students between being placed on the interest list to actual enrollment.

Office of Student Life

Augustine Nevarez, Director

Assisted with the development of the Hunger Free Campus project proposal. Assisted in the development and implementation of the Hartnell College Students Food and Housing Survey.

ICC held its monthly Panther Market Day and had numerous clubs that fundraised. They sold loaded potatoes, cotton candy, popcorn and other goodies to their fellow students.

ASHC began preparations for the holiday season by continuing the tradition providing Thanksgiving dinners for needy families from the Child Development Center. Turkey and stuffing, potatoes, canned vegetables, dinner rolls and a pumpkin pie were provided to 40 families this year for

the Thanksgiving holiday. Also began to plan the Lights of Lowger3ot, ilies ns (ie)-4(s)2po,

The Packard Foundation awarded Mi CASA a \$25,000 grant to create a new Dreamer Internship Program for students without DACA. Qualified students can apply for a Dreamers work experience scholarship through Mi CASA beginning in Spring 2018. The fund will also support the Mi CASA Institute. 20 Dreamer students will have the opportunity to participate in a workshop series especially designed to promote completion and transfer. Participants will receive a stipend.

In response to the rescission of DACA, on Tuesday, November 14, 2017 Educators for Fair Consideration presented an Immigrants Rising Training to teach the Hartnell Community which steps undocumented students can take to pursue a meaningful career and secure their financial future with or without a work permit. Two sessions were off3(I futureC)-3(d)6(t)4:woded he5(me)-3(3)

low-income community college students clearly demonstrates a positive correlation between college staff working closely with parents as allies and greater retention, lesser attrition and college graduation and transfer. The research has shown an even greater positive outcome when working with Latino parents of first generation students.
