What interactions do you have with students about transfer options? Please give examples.

This question has not been answered yet.

How are program learning outcomes aligned with the skills and knowledge students will need to succeed in transferring to b W n BT 9 0.95ing t W n ioeT Q q 5d4(d)g leangisup

Questions About Previous Activities

B - Questions About Previous Activities

Evaluate the success of each completed activity in Section D.1 (Previously Scheduled Activities) from your Spring 2017 PPA. What measurable outcomes were achieved? Did the activities and subsequent dialog lead to significant change in student learning or program success?

This question has not been answered yet.
