

Non-instructional Guided Pathways Program Review

As Hartnell College is embarking on a journey to join a growing national movement aiming at improving student success called "Guided Pathways," the Guided Pathways framework is incorporated into the Spring 2018 Program Review. The Guided Pathways framework creates a highly structured approach to student success that provides all students with a set of clear course-taking patterns that promotes better enrollment decisions and prepares students for future success. The Guided Pathways framework also integrates support services in ways that make it easier for students to get the help they need during every step of their community college experience."
