1. Four measures were used: course completion, course retention, certificates, and degrees.

2. The mean of each measure over the immediate five previous years was calculated and reduced by five percent of the mean.

3. Results of the procedure delineated in 1 and 2 above are the institution-set st

Institution-Set Standards for Student Transfer 2016-17

Methodology

The mean of each measure over the immediate five previous years was calculated and reduced by five percent of the mean.
