

The College Planning Council (CPC) held a meeting on Wednesday, March 6, 2019 at 3:00 p.m. in E-112 and during the meeting, the following occurred:

– The Council

approved the proposed Plan for Engagement. The CPC formed a workgroup in spring 18 to explore ways in which to deepen institutional dialogue. The group met six times and developed a plan which contain six categories, each with actions to strengthen employee engagement and dialogue. The approved plan is available [online](#).

– The Council received a presentation on the Dual Enrollment Program that included an overview of AB288, College and Career Access Pathways, legislation that allows community college districts to enter into

The Council received the following documents related to the next strategic plan:
