CALL TO ORDER & INTRODUCTIONS

Meeting called to order at 1:58

Hartnell College Vision Statement: *Hartnell College students will be prepared to contribute as leaders to the intellectual, social, cultural, and economic vitality of our communities and the world.*

Hartnell College Mission Statement: Focusing on the education and workforce development needs of communities in the Salinas Valley, Hartnell College strengthens communities by providing opportunities for students to reach career and/or academic goals (associate degrees, certificates of achievement, transfer to four-year institutions) in an environment committed to student learning, achievement and success.

- d. Assessment of the survey needs to be conducted for next year so we can achieve clearer feedback. The spreadsheet with the unpublished schedule was shared with various departments on campus, which resulted in some people going to the wrong locations. It was suggested to add a "draft" watermark on the spreadsheet and to reiterate to personnel that the spreadsheet should not be shared.
- e. The idea was suggested to make presentations accessible online.

- 2. Educator in Residence J. Whitmore
Dr. Melissa Salazar will return to campus on Feb. 12, Mar. 12, and Apr. 30. The first session will be in the Planetarium. Information will be advertised in the President's Weekly Report.
- 3. Cornerstone and Vision Resource Center partnership T. Pyer
Palomar College loved the platform. It would be a great platform for our campus but it would require a dedicated IT person.
- 4. 4CSD Conference T. Pyer
The conference will be on March 6-8, 2019. The professional development budget has funds to send two members to the conference. Please let Terri know as soon as possible if you would like to go.
